

What's New?

Dear Mrs Branch
 I have been
 thinking about
 you a lot
 since we
 have not
 seen you
 for a while
 but I hope
 you are
 well and
 happy.
 Love
 me
 and
 the
 family.
 Your
 friend
 Elizabeth

Mrs. Branch,
 I'm so glad I had you
 as a P.E. teacher this
 year. P.E. has really been
 my favorite subject. You
 really been a great teacher
 and not only that but a
 friend. I'm really excited
 about being a P.E. assis-
 tant next year. Now I
 know I get to have you
 again next year. You have
 to put up with me again
 well, never change cause
 you're really great. You
 have alot going for you
 stay that way and you'll
 always have friends where
 ever you go. Best of Luck
 Always. Maybe I'll see
 ya somewhere this summer

Love Ya,
 Karen
 13-14 Phillips

Mrs. Branch
 I can't believe the years almost over,
 it seems like yesterday when I entered
 your class. I really admire you Mrs. Branch,
 and thank you for your patience with me
 and understanding (my fits) and hope you
 summer (cheerleading) Thanks again
 have a happy vacation.
 Love always
 for all
 you've done
 Elizabeth

Mrs. Branch,
 I really have
 enjoyed having you
 as my P.E. teacher
 I am very excited
 about being able to
 be a "big P.E. assistant"
 You're really a nice
 ("chick") with a lot going
 for you. Me & Karen
 are coming to bug you
 this summer (aren't you excited)
 Good Luck & have fun this
 summer. Love ya, Elizabeth

next year, going to V.D. & not being in your class,
But, I'll come visit you all the time, (excitement!)
Don't forget all the dumb things we've done or
when you found out about me mess-behaving up
at Alabama, or when we came over to your house
to bring you X-mas present & I told you Calvert
had given me a ring for X-mas and he didn't
even give me anything! Oh, and on your birthday
when we acted like somebody had a gift & brought
out that dumb birthday cake & you coming to
school with yellow paint in your ears, nose, etc.
And last year with Beth & Minnie & that time when
you & Charley weren't married yet & I told
you he had on a philly shirt & it was
a top sport! You thought he had turned queer
on you! There's been a lot more but I just
can't think of them all right now.

But, really Mrs. Braxton, thank-you so
much for just being there when I needed
you & for being such a great friend!!!
And tell your dog & Charley hi! Be good
& God Bless You!

Love ya, lots,
Kitty

Miss March,
This is the first year I've really enjoyed P.E..
You made it fun and even though we had
competition you didn't put a lot of pressure on
us. Have a nice summer. Maybe I'll see you
Redding. See you next year.

Love ya,

Donna Herndon

Mrs. Branch,

To one of the super-
lative teachers of T.D. - I
wish there were more
teachers like you. Full of
enthusiasm for the class
and look up to you and
wish you the best of
everything in life. "Live
life to its fullest, because
it's yours to take what
you want from."

Take care

be good.

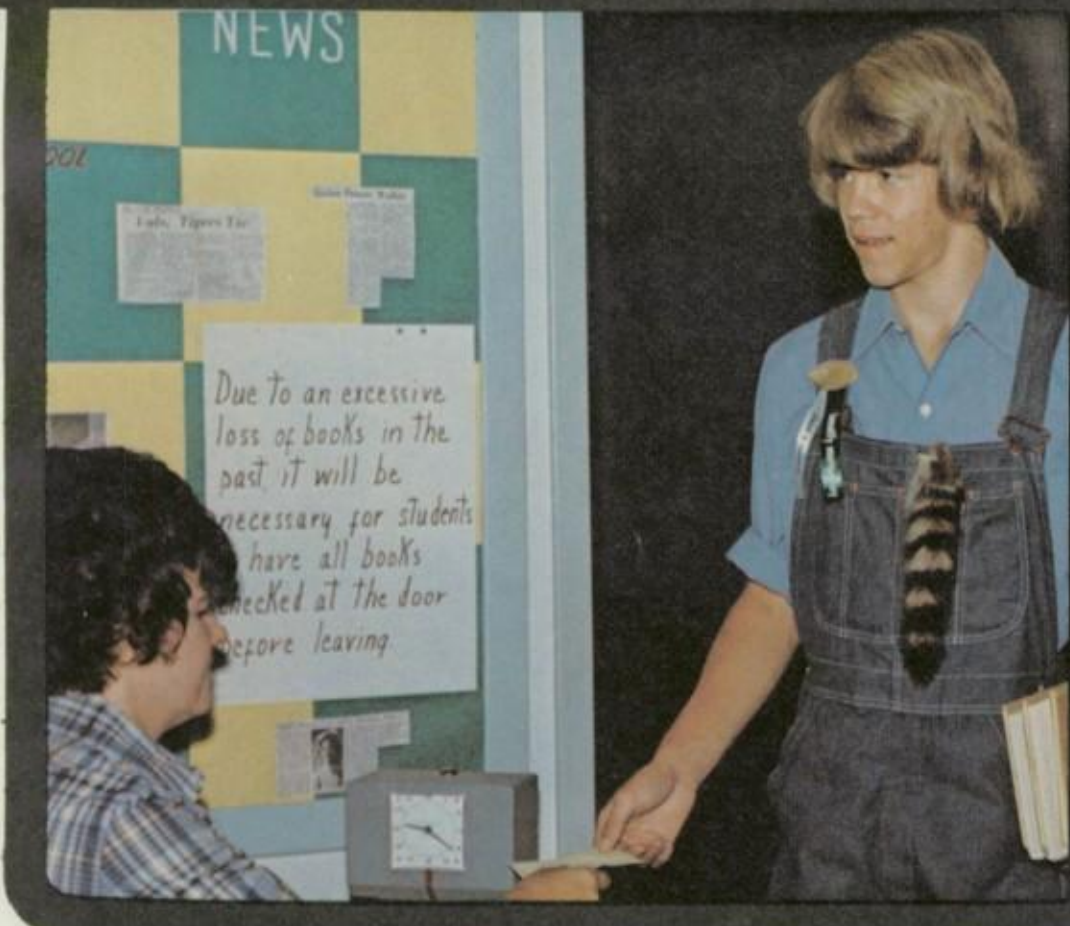

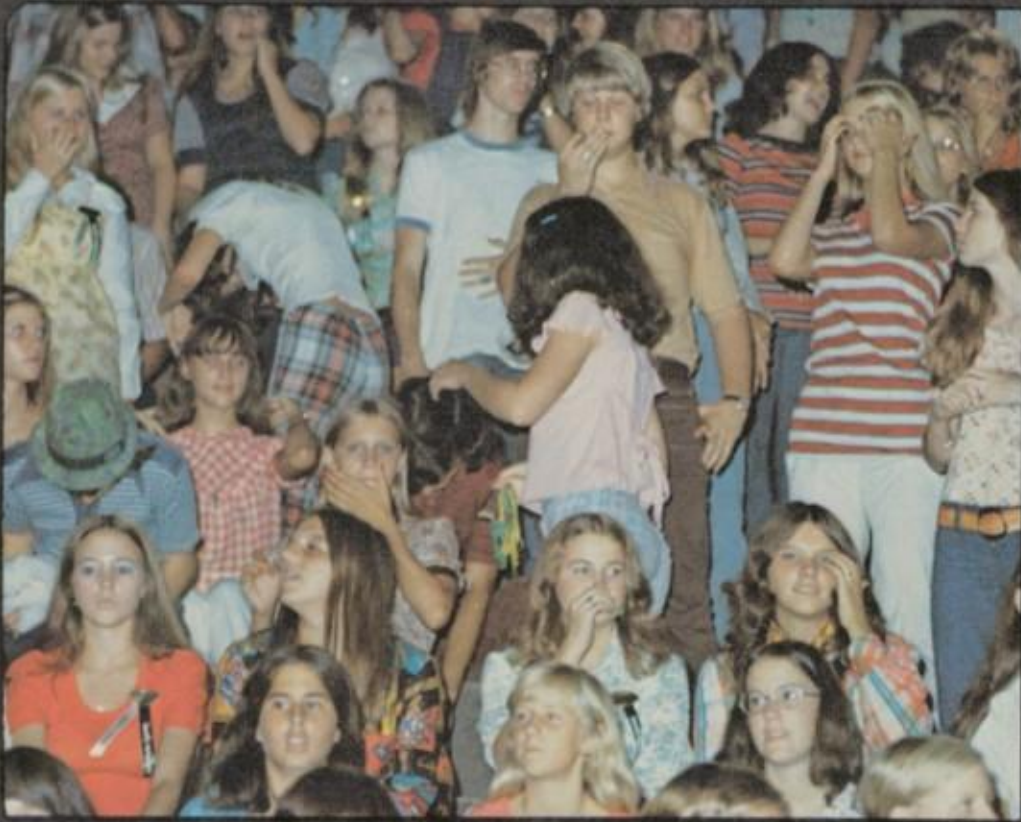

p.s. have a nice summer
vacation

Love you

Dee Abbott

Well, to
begin with...

Mrs. Branch, you are my favorite teacher, - the only

ne who ever knows what they are doing!!

LOOK!

J.D. has

NEW

people — sophomores

places — THE PIT

things — library time clock.

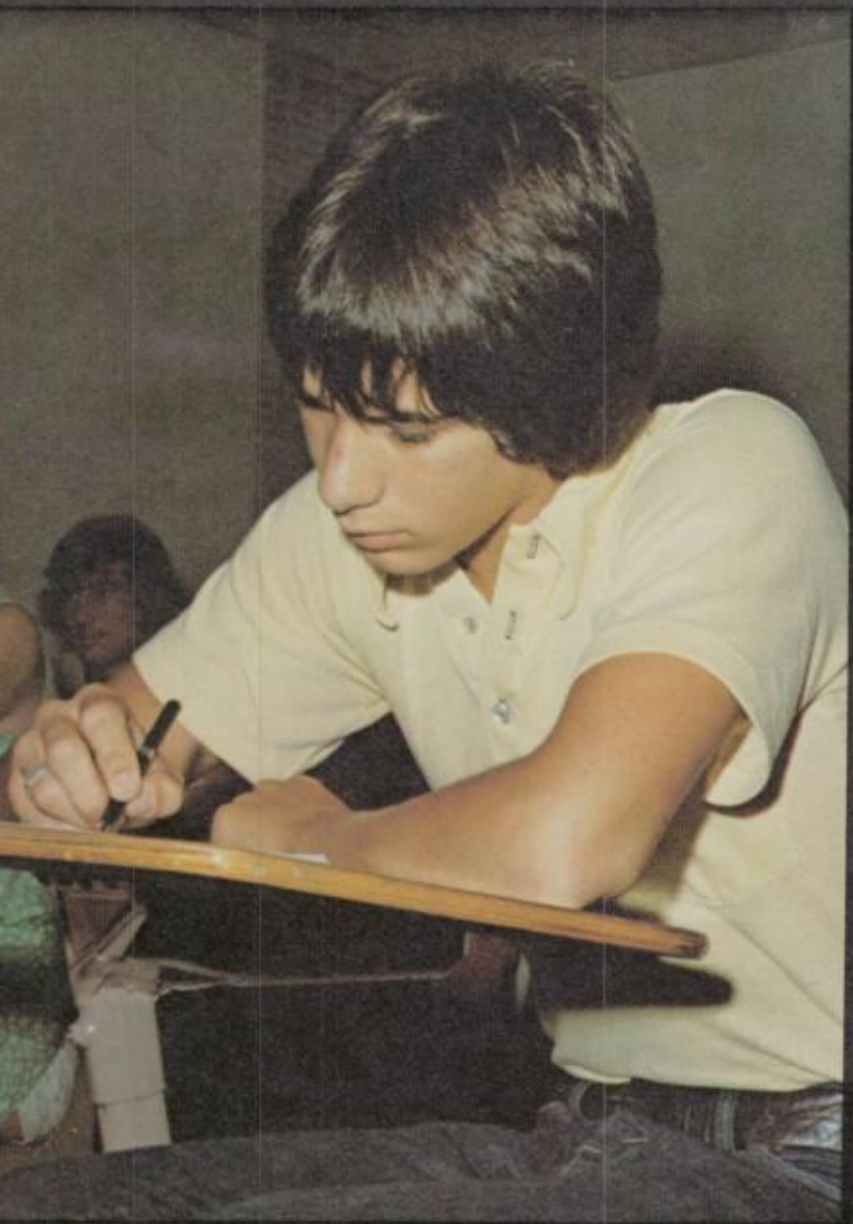

They also have

FAMILIAR

people — cheerleaders

places — classrooms

things — football.

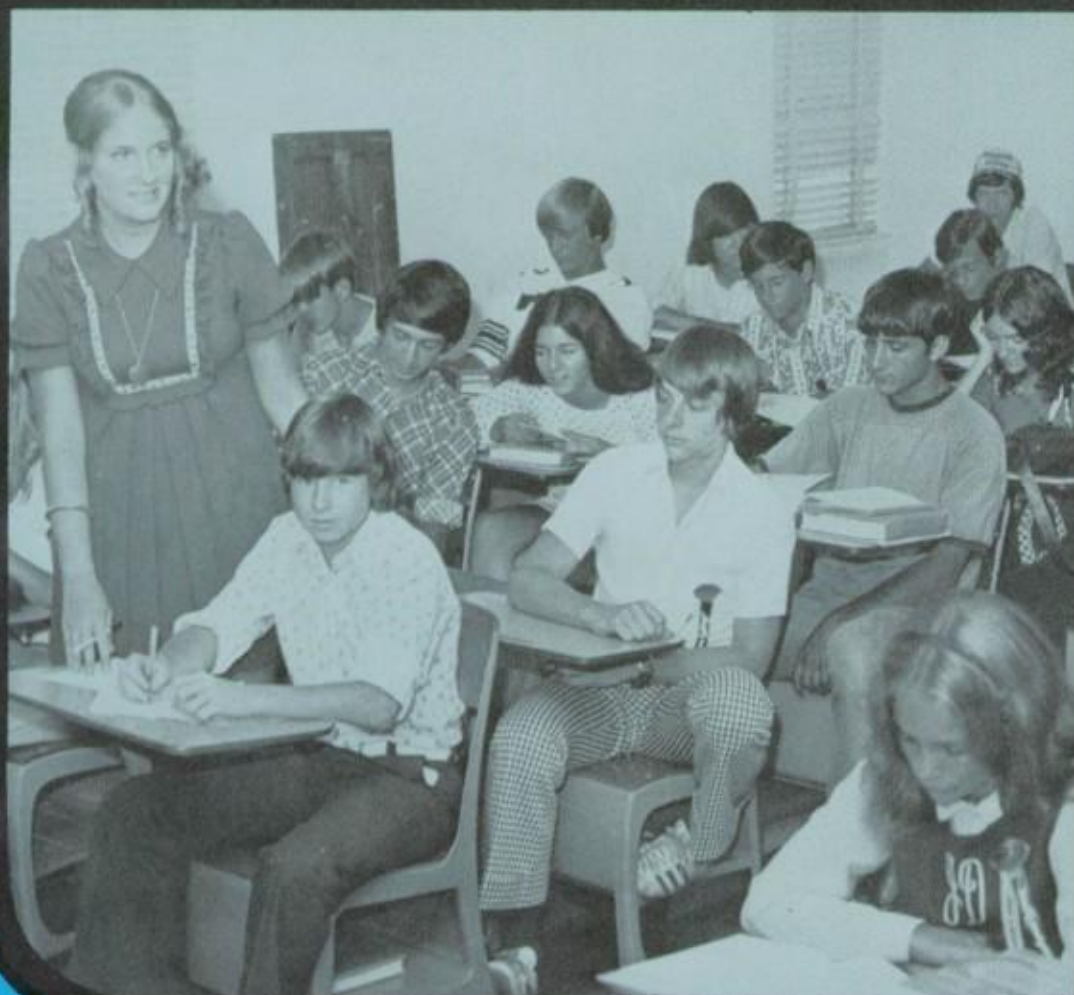

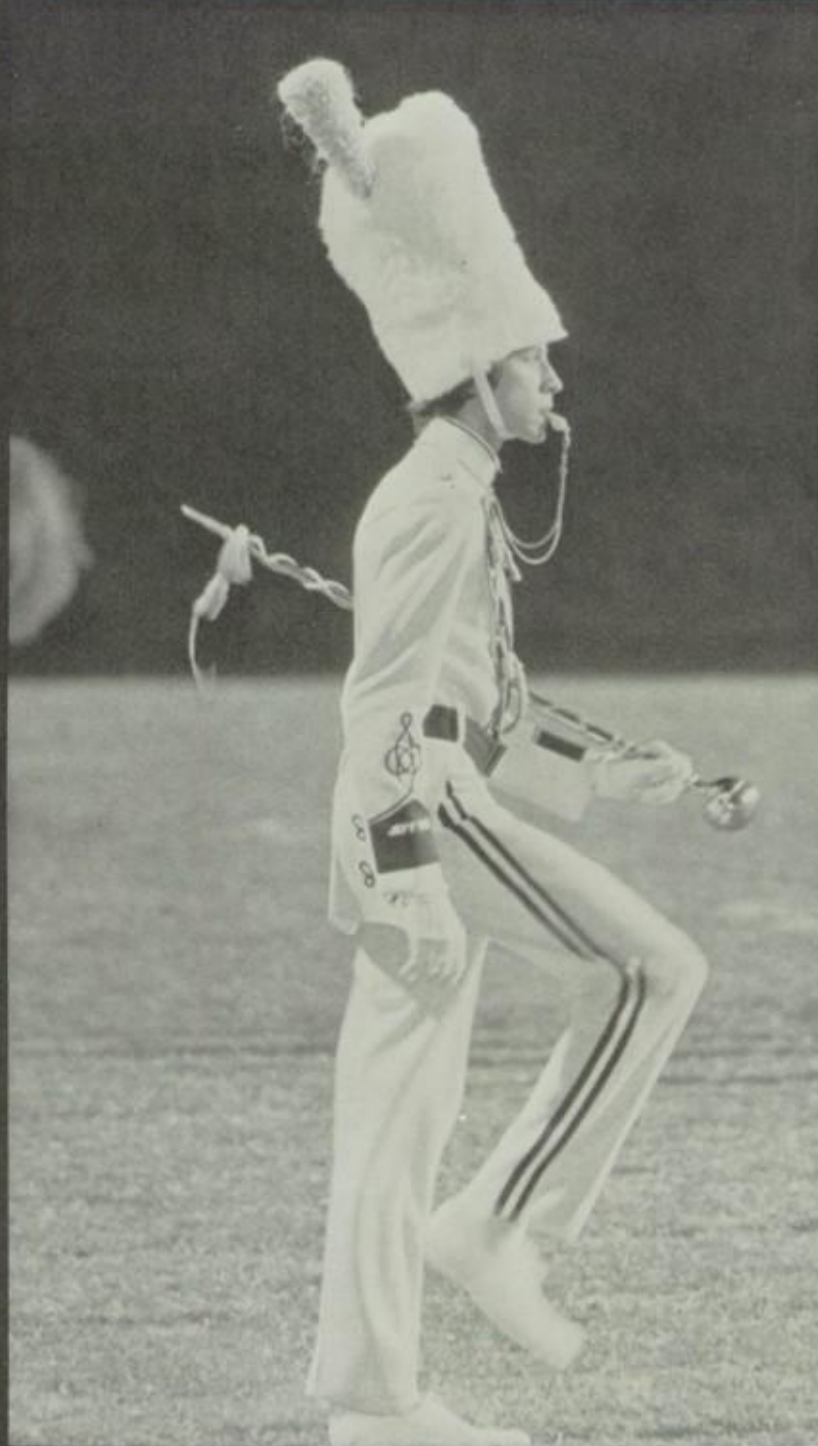

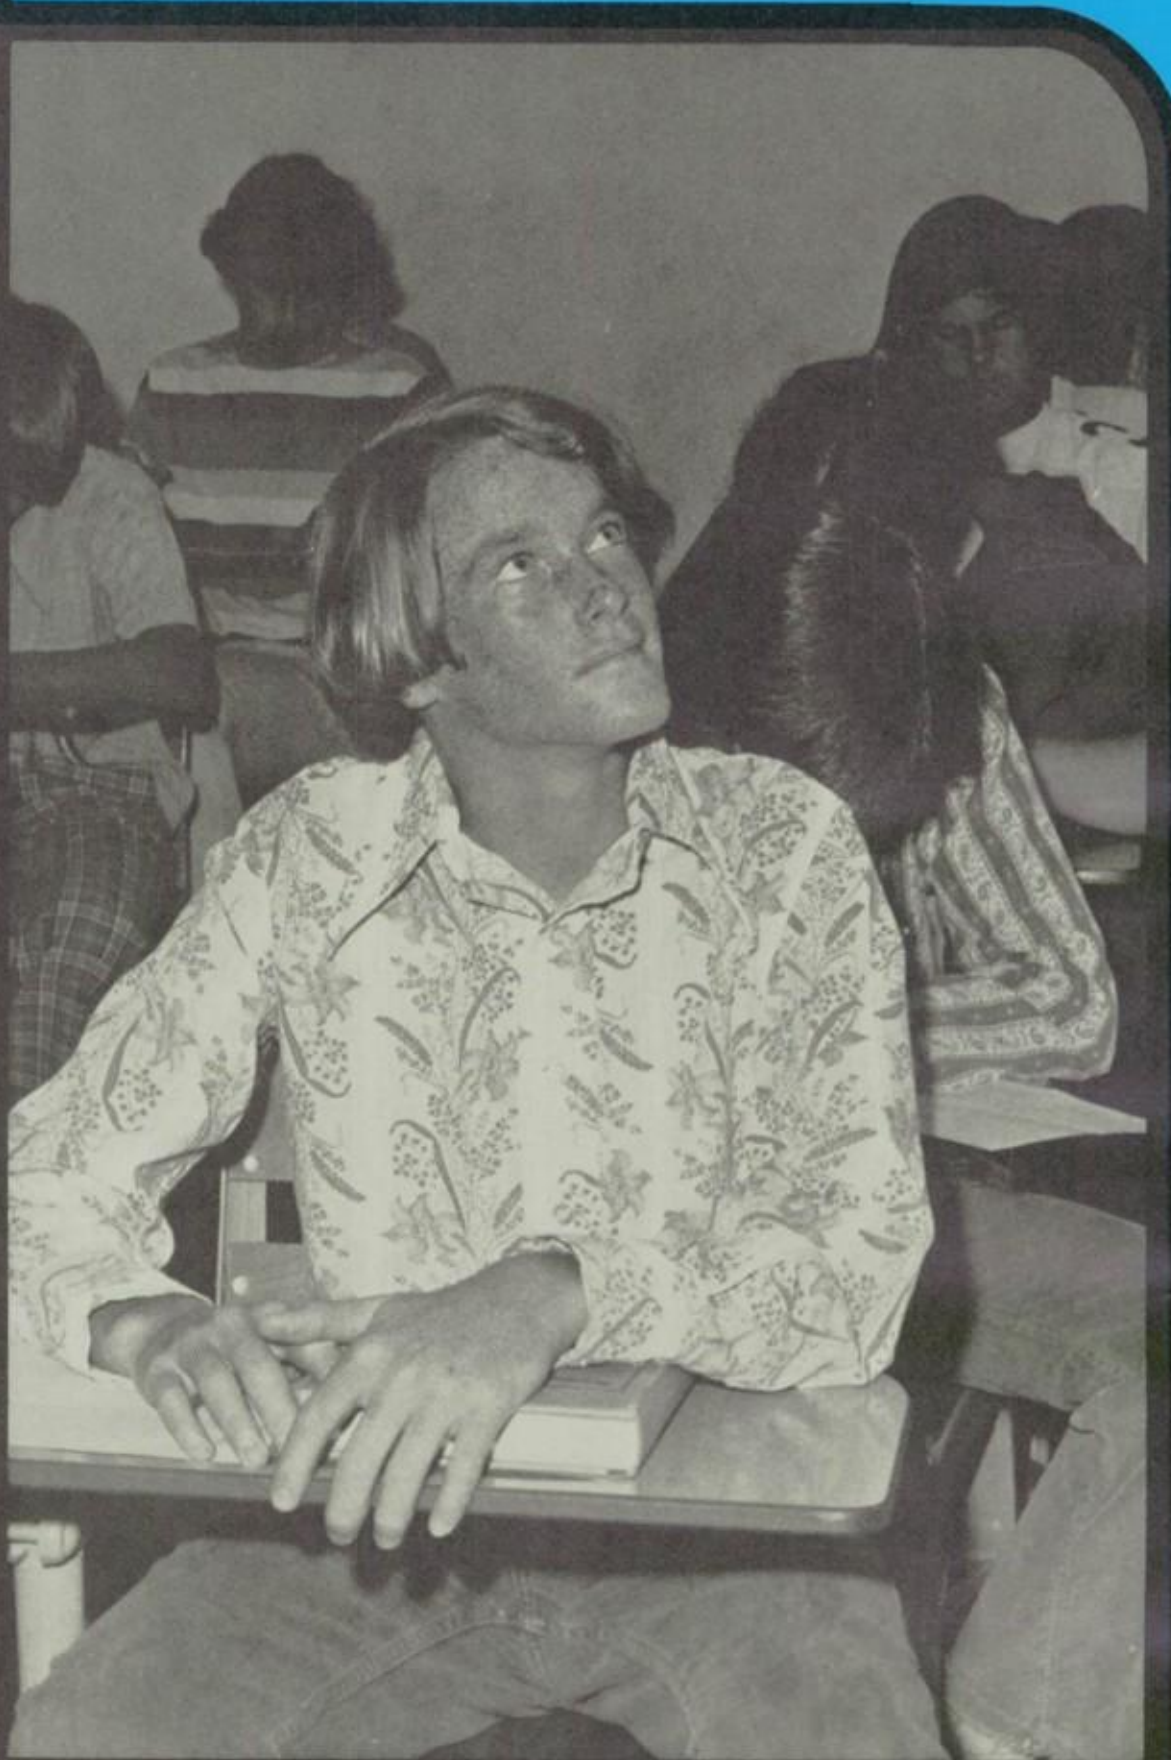

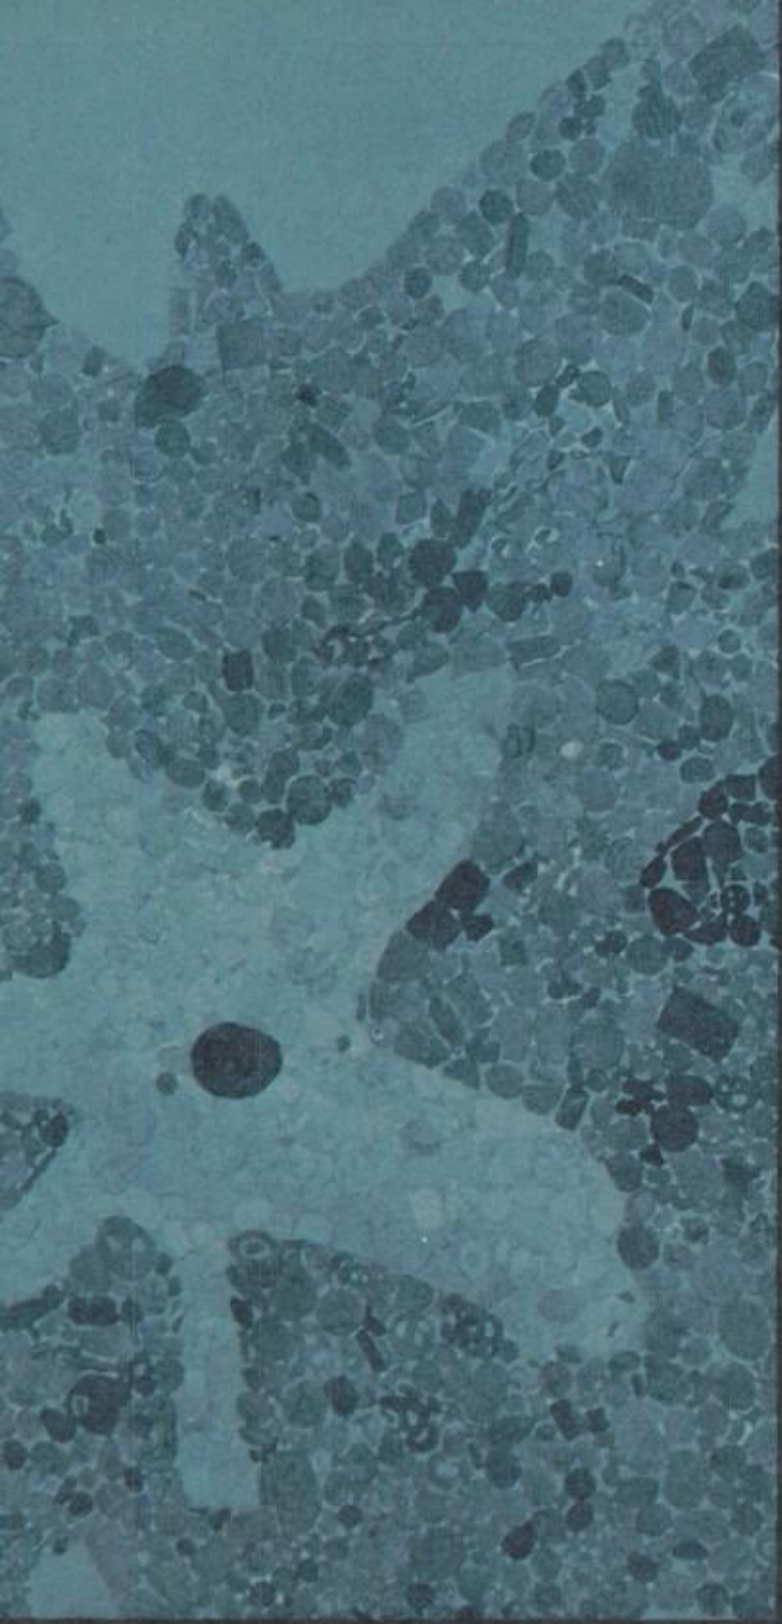

Have fun this summer!

PEOPLE

are everywhere.
They study together,
work together,
play together.
Through people
our school spirit,
our school projects,
our interest in each other,
are shown.
People make J.D. and
J.D. makes people.

And then there's...

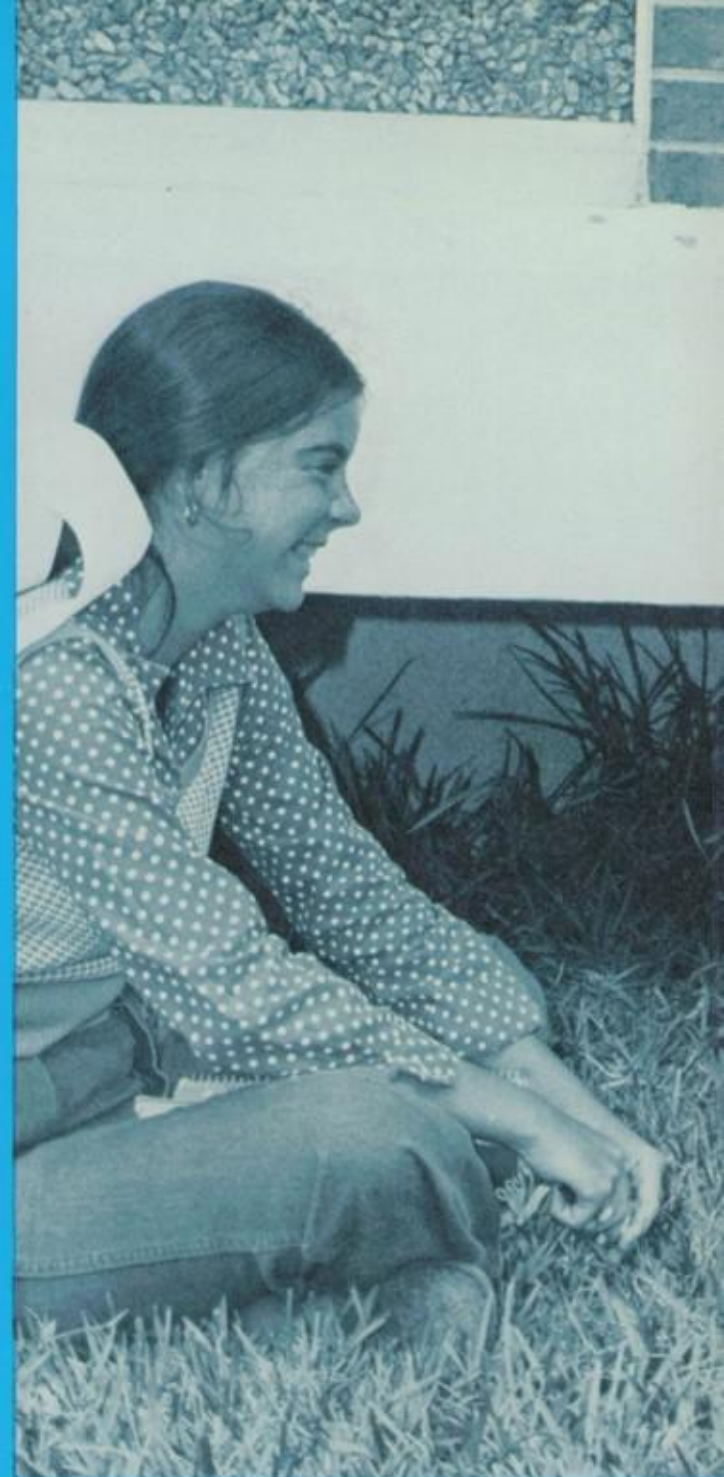

WOW!

The word is involvement.
Everybody is showing their colors!
(Green and gold, of course.)
Spirit is all around us,
in everything we do.
Enthusiasm is
the key to success.
And the Vols have it.

HAPPINESS IS . . .
 sitting in the courtyard
 wishing that you didn't have
 to go to your next class,
 eating your lunch with a friend,
 being together and talking
 about everything under the sun,
 talking to people who understand you.
 According to "Peanuts" . . .
 "happiness is anyone and
 anything at all that's loved by you."

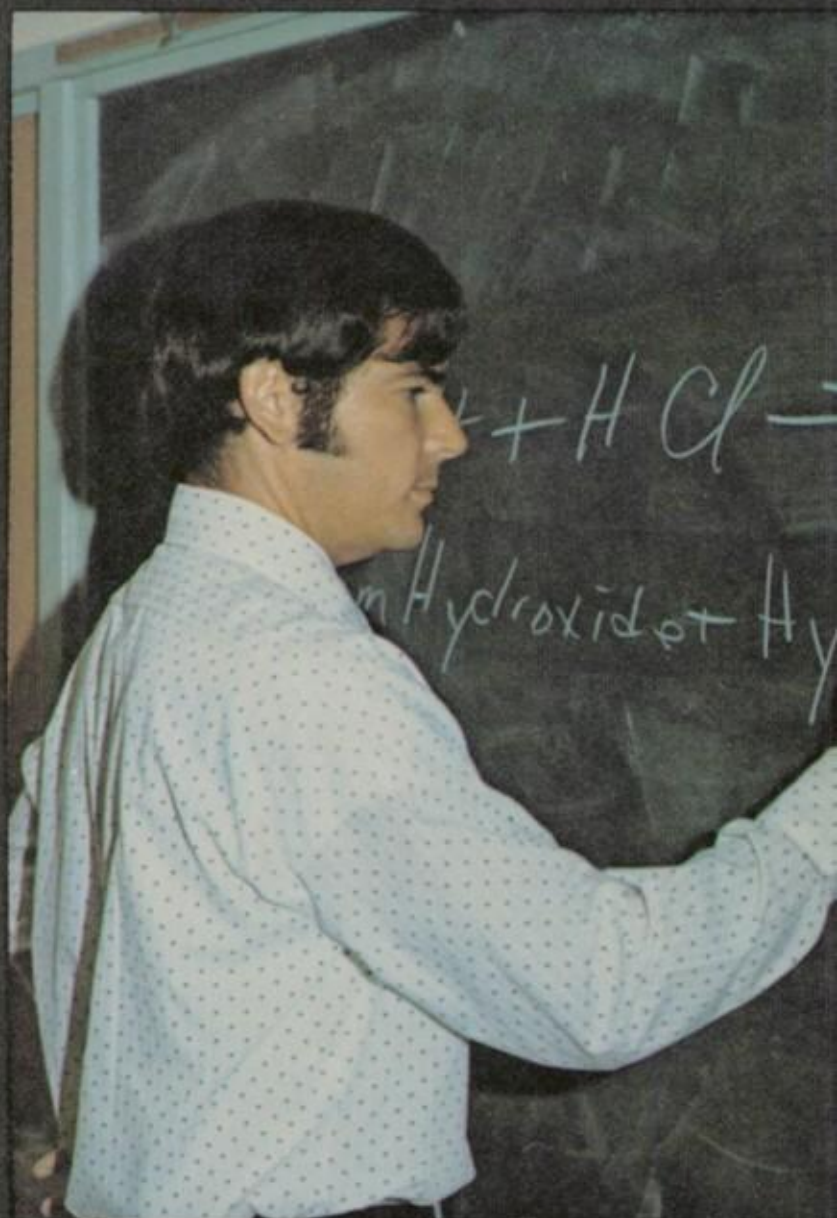

Moving
right along...

SURVIVAL

through intellectual and
social crises.
Adult influences show
up in our personalities.
Day in and day out,
these people are here (there?)
to give us guidance and
help through all our lives.

COACHING STAFF

Jeff Davis is indeed lucky to have a very talented and capable coaching staff under the leadership of head coach and athletic director Billy Livings. While making personal sacrifices, these men have catapulted Jeff Davis into the limelight in the world of sports.

All of the coaches lend a hand in gridiron pursuits, a task which requires many long hours and sleepless nights. Varsity basketball is handled by Charles Lee, while Albert Albernathy oversees B-team basketball. Rick Rhodes has taken over the track and cross-country teams, while Billy Livings is mentor for the newly created wrestling team.

CROSS COUNTRY 1974

The 1974 Jefferson Davis High School Cross Country Team put forth a great deal of effort and hard work this year, training constantly in preparation for the state meet. When that big day finally arrived, it became clear that the dedication and the diligence of the team members had paid off. When all was said and done and the dust had cleared, the team placed eleventh in the overall standings. Jim Eastman, one of our speedy seniors, finished sixth, the best final spot ever posted by a Volunteer runner in the state competition.

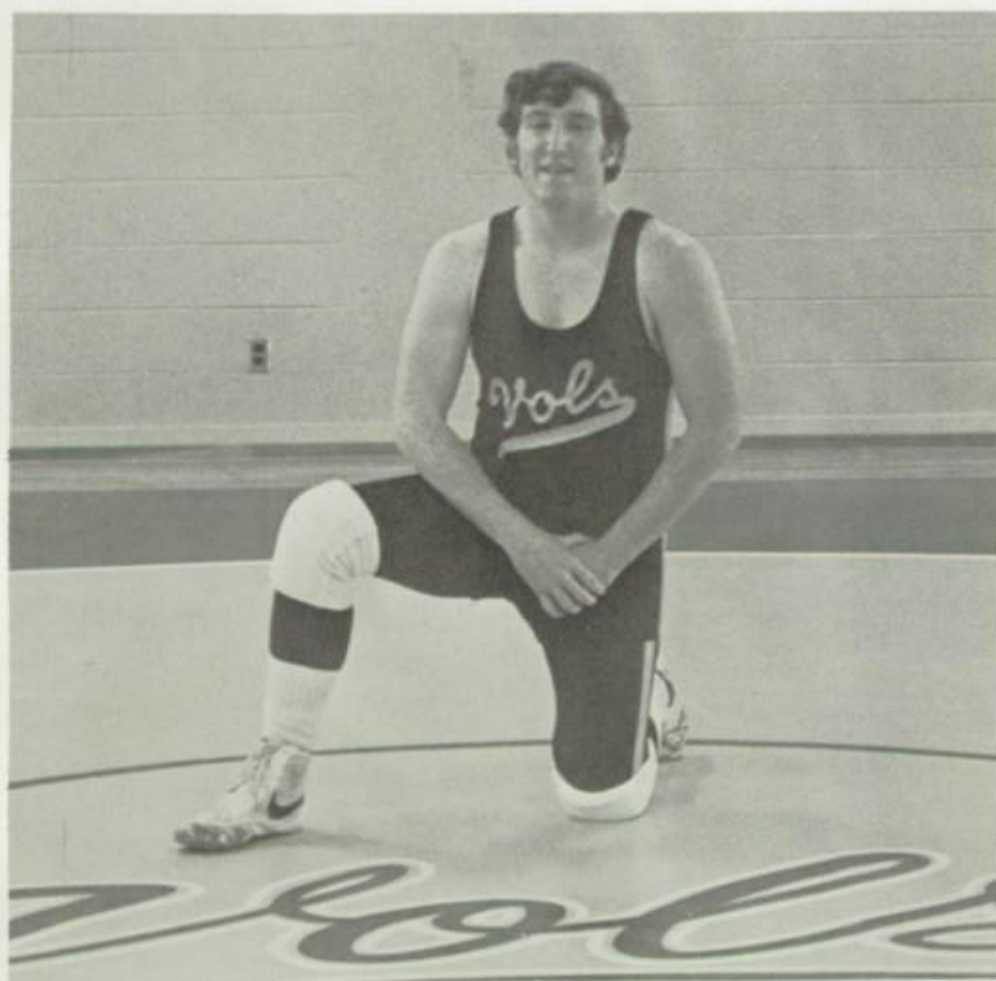

Kneeling — Bud Gregory, Jim Eastman, Bill Gregory. Standing — Jerry Harris, David Hayes, John McDonnold, Don Hollinger.

Another Jeff Davis First . . .

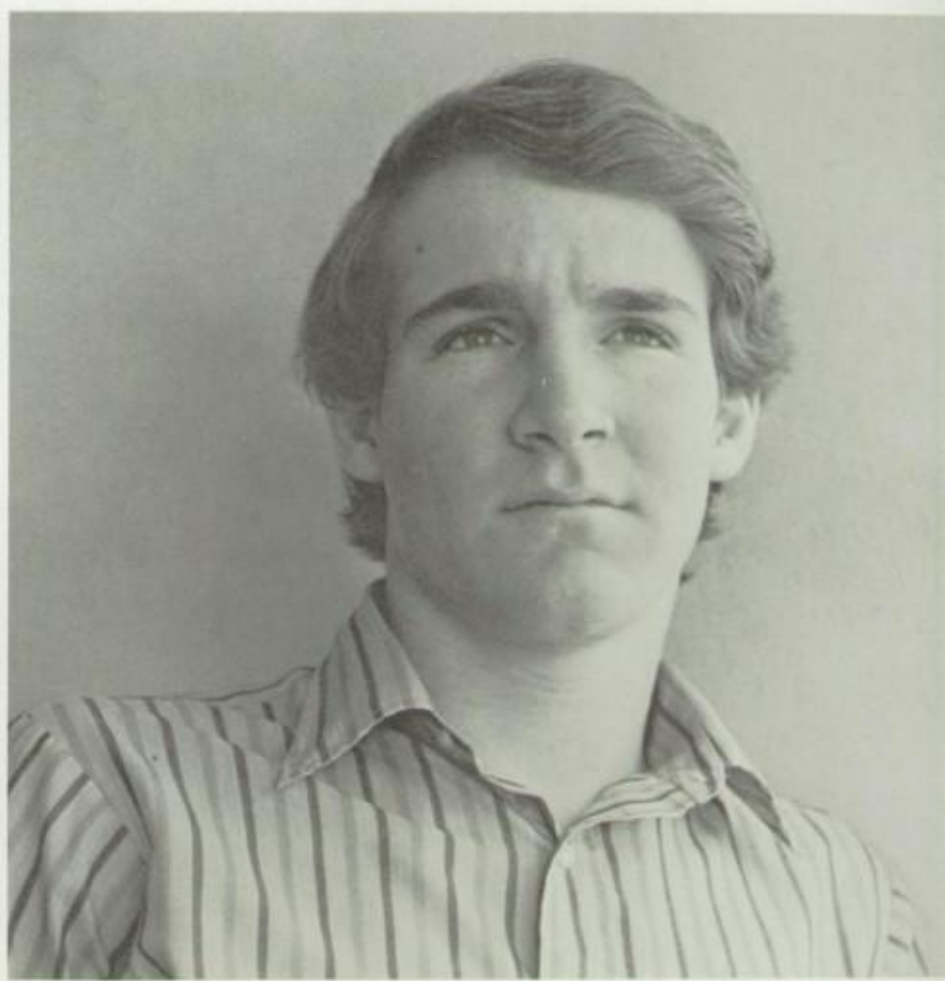

First Row — John Hutcheson, Paul Windham, Tom Smith, Courtney Williams, Tim Langley, Brian Thompson, Mike Meehan, Chris Meehan, Tom McLaughlin. Second Row — Tom Myers, Jeff Myers, Ronald Ingram, Steve Nelson, Jeff Bills, Jim Myers, Coach Billy Livings, Ralph Wright, Wally Myers, Kevin Farren.

JEFF DAVIS MATMEN

Paul Windham, 132 lb.

Jeff Myers, 155 lb.

Chris Meehan, 105 lb.

This year the Athletic Department added a new facet to its competitive sports program. The man who was to oversee the big addition shopped around for a mat — reportedly one of the finest in the state — and selected some uniforms; he put out a APB (All Pupil Bulletin) and, in what seemed like no time at all, Jeff Davis became the home of the city's newest wrestling team. Now when you bring together a bunch of guys, initiate a vigorous schedule for training and competition, and then realize that most people associate wrestling with the Fort Dixie Graves, you pray your team will put their uniforms on right side out.

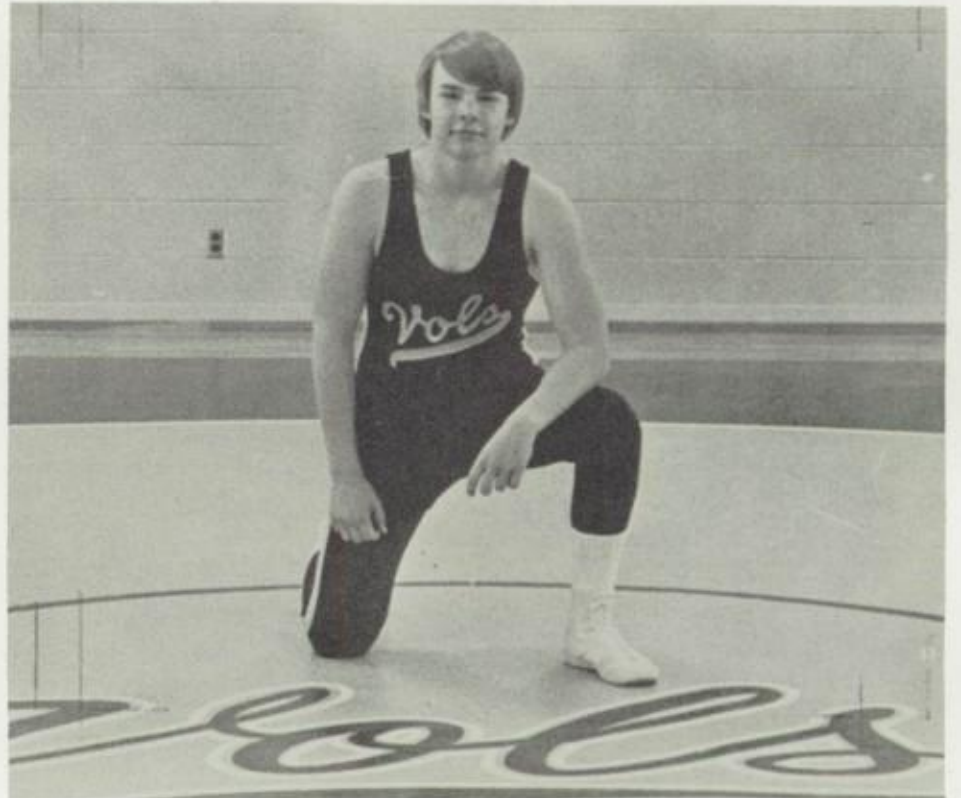

Well, the JD wrestling team did more than dress right — they settled down, put in some long hours, and finished the season with a very impressive 7-2-1 record. The Volunteer grapplers under Coach Billy Livings went from a novice organization to an up-and-coming power. As a team, J.D. finished 5th in the Sectional Meet and 15th in the State Tournament from a field of over 50. Five of our wrestlers qualified for the State Meet and scored 25 points.

I had the best time in P.E. this year. I've never had a teacher who knew every thing I did or they didn't come right out and say it. You are the coolest teacher I've ever had. I'll always remember how you would laugh at your self when you would make a mistake, the cookout over at your house. I'm going to come and see you next year so get ready.

Love ya,
Leslie H.

J. D. DAY QUEEN — 1973

This year Jeff Davis is very honored and most fortunate to have Brigadier General John P. Flynn and his wife Mary as the judges for our Top Beauties. General Flynn is currently the Commandant of the Air Command and Staff College at Maxwell Air Force Base. During his thirty-one years in the military, General Flynn has served in many parts of the world, primarily in the capacity of pilot. He has seen aerial action in three wars and has acted in a top advisory capacity on numerous occasions.

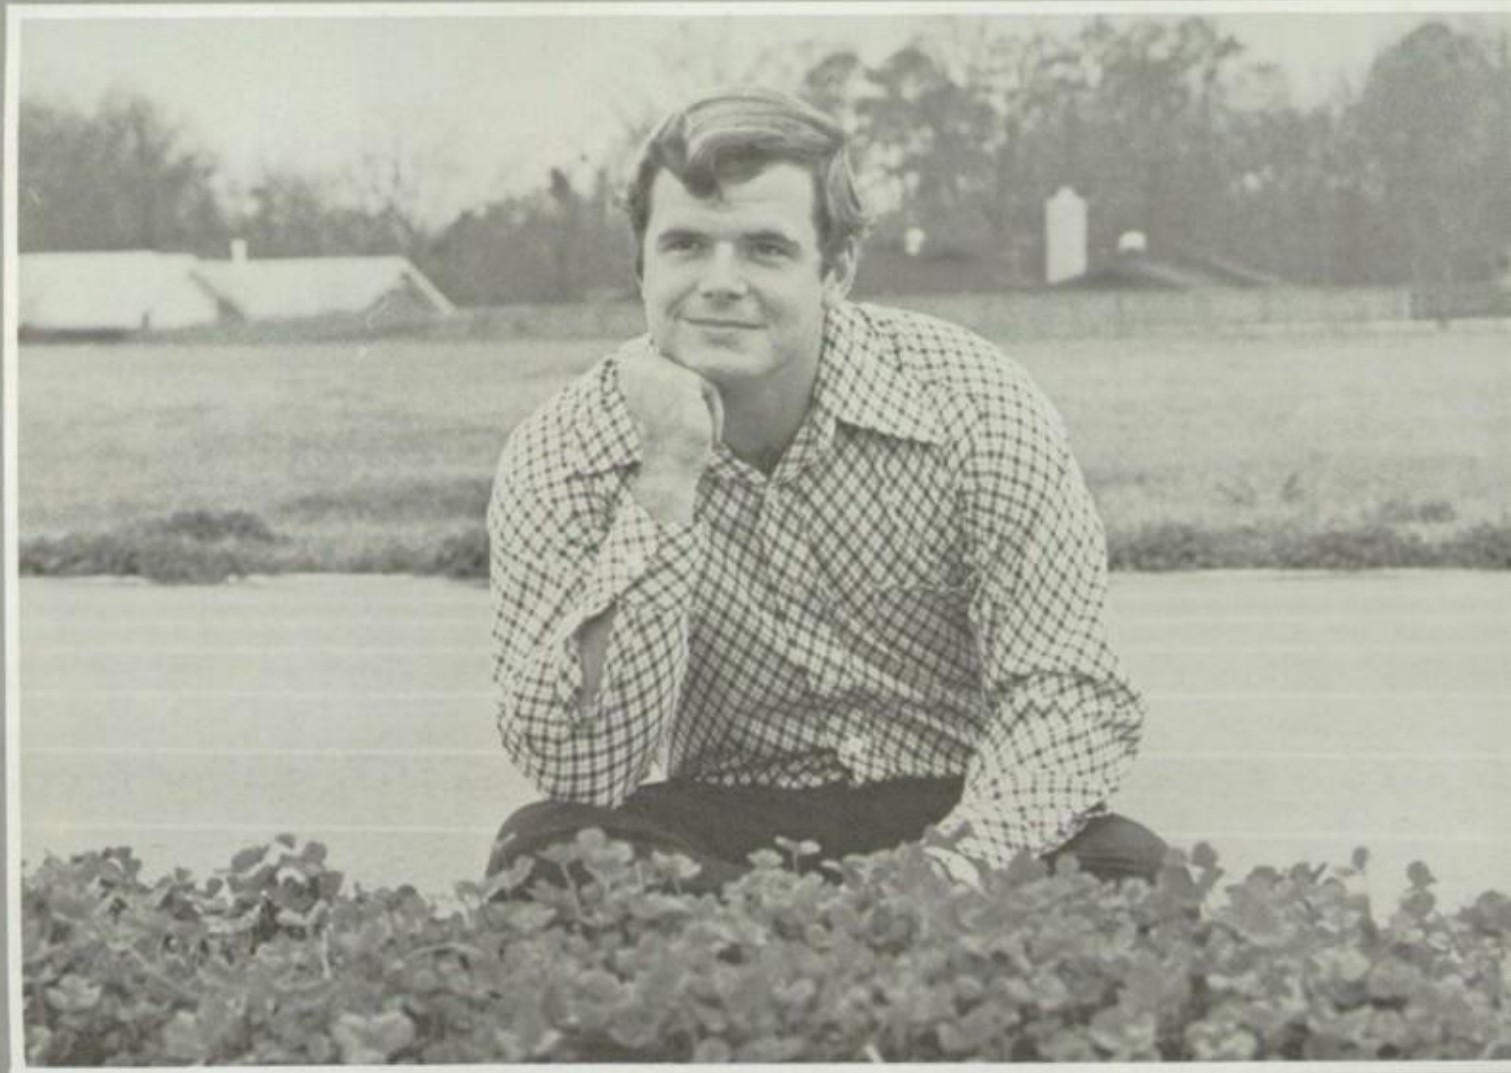

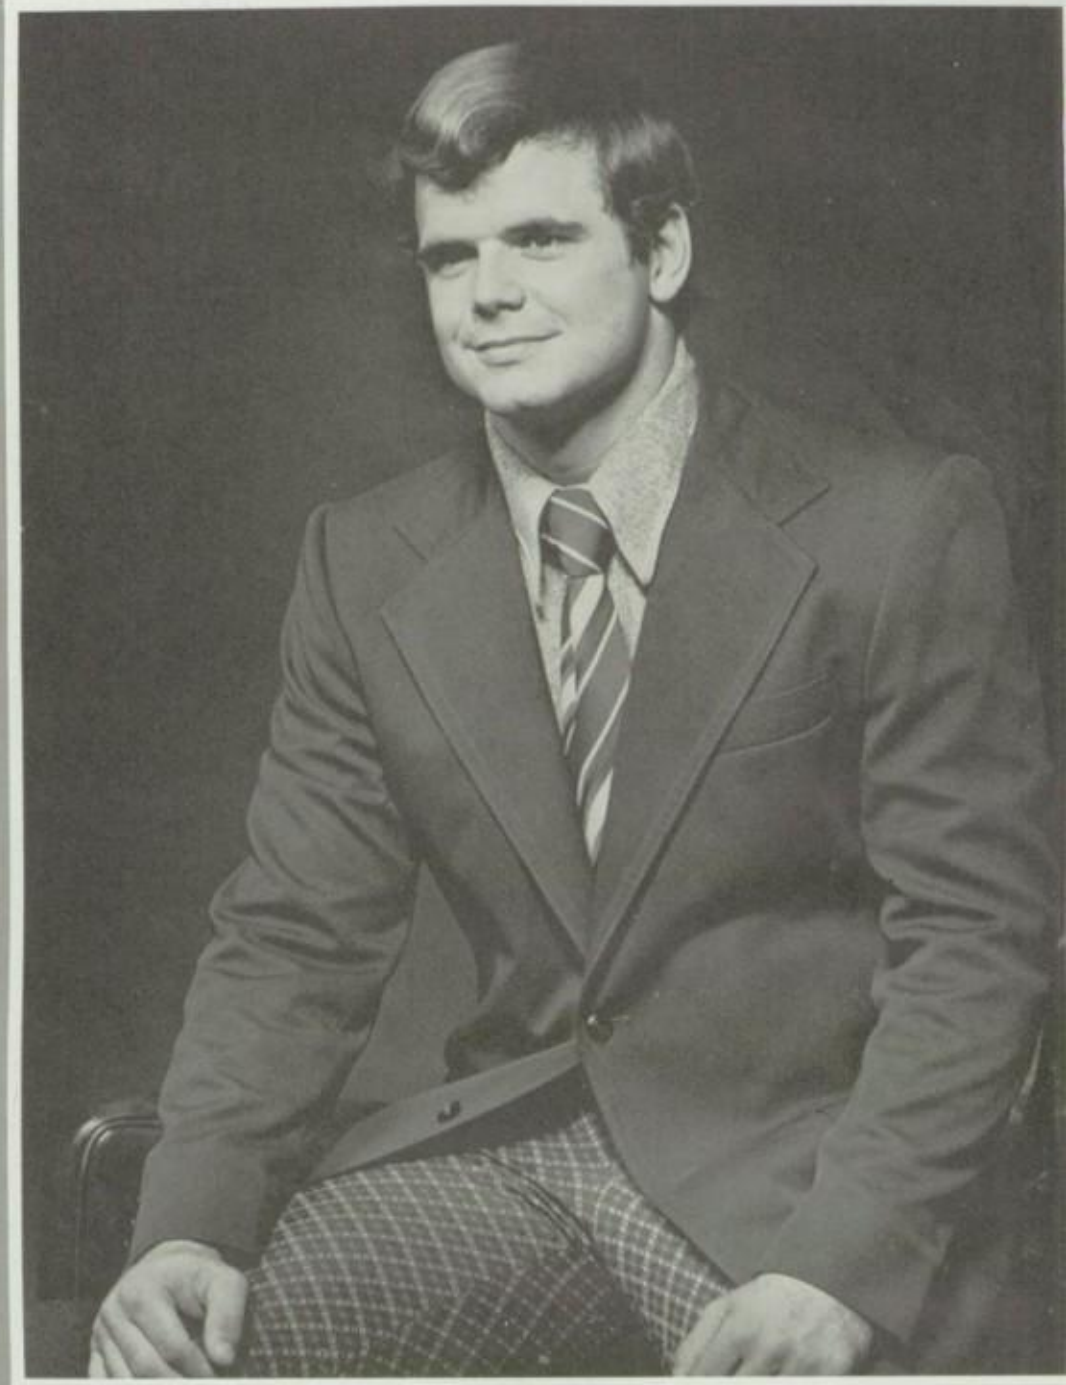

In August, 1967, he joined the 388th Tactical Fighter Wing, Korat, Thailand, as Vice-Commander, where he flew the F-105. He was shot down by a SAM missile over Hanoi on October 29, 1967, where he remained a prisoner until his release on March 14, 1973. General Flynn has the distinction of having been the highest ranking POW of the Vietnamese War.

His military decorations and awards include the Silver Star, Legion of Merit with one oak leaf cluster, Distinguished Flying Cross with six oak leaf clusters, Air Medal with 14 oak leaf clusters, and the Purple Heart with one oak leaf cluster.

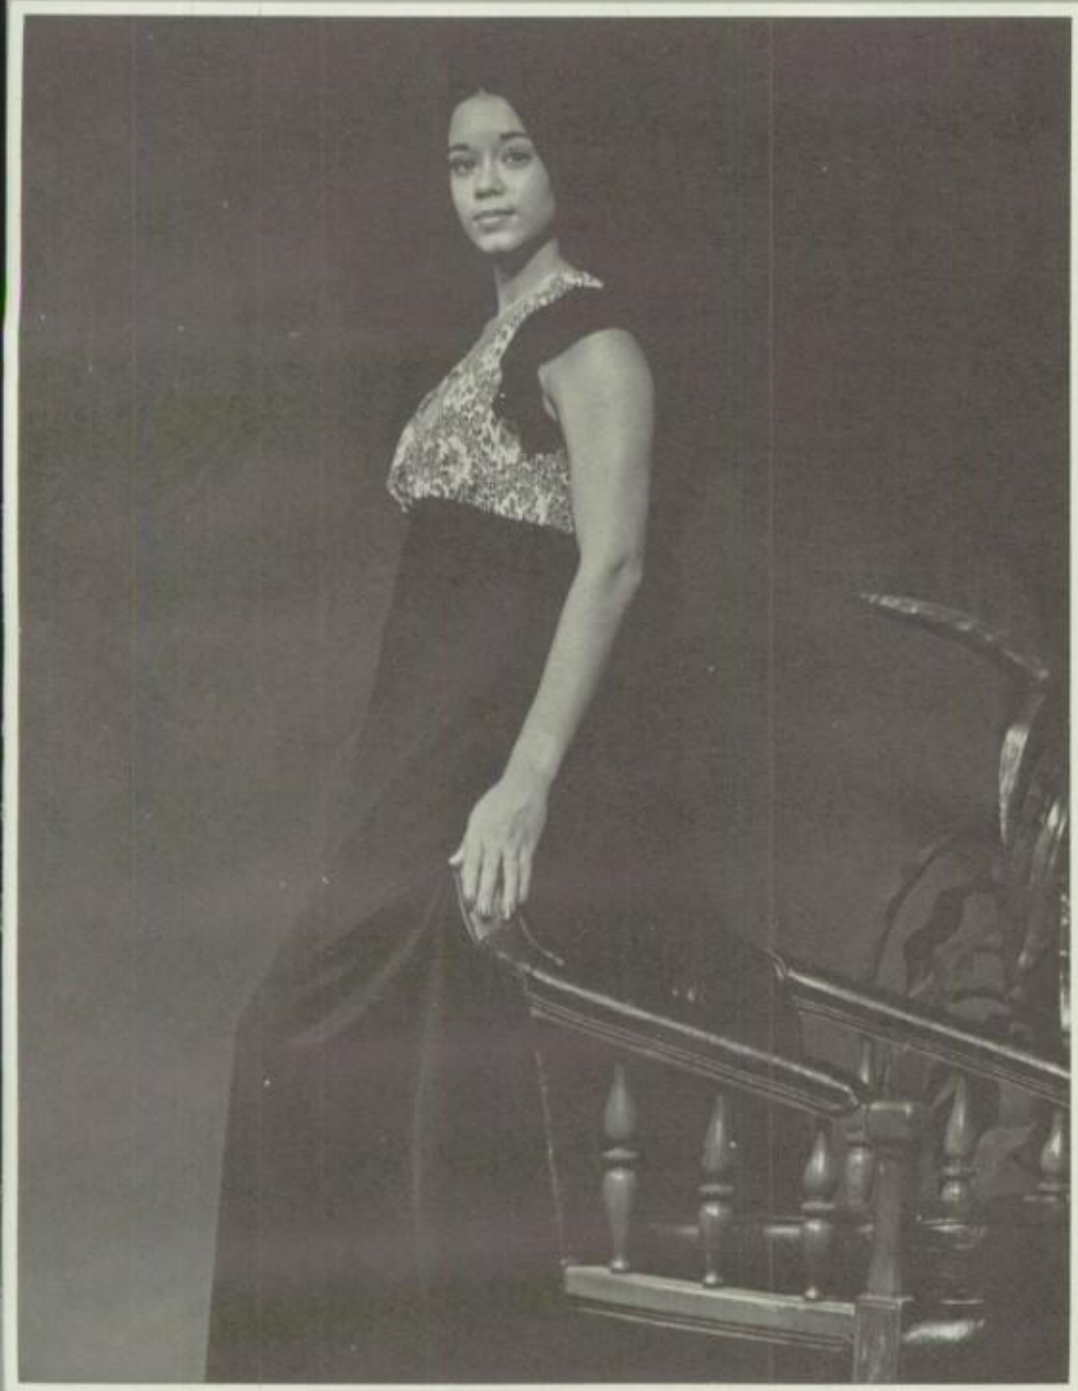

General and Mrs. Flynn are the parents of five children and are the proud grandparents of four grandchildren.

THE G.W.E.

The Gradual Wrecker Examination which you are about to take has been developed to test your accumulated knowledge of obscure facts and your ability to withstand mental torture. Your scores are used by many graduate schools to aid admissions officers in determining your fitness for the rigorous graduate program ahead. The scores also provide a lot of laughs on the off-days.

Do not become disturbed if you find that you are unable to answer all of the questions. Do not become disturbed if you are unable to answer most of the questions. No one is expected to get a perfect score; there are no "passing" or "failing" marks. Pay no attention to the fact that what you do here in the next few hours will have a direct bearing on your future, your earning potential, and your ability to provide for your family.

Should you guess? Many examinees wonder whether guessing will improve their scores. Our advice is — go ahead. The scoring of the GWE is designed so that a certain percentage of any answers you happen to get right is subtracted from the wrong answers; this number is then multiplied by the square root of the number of people institutionalized within one week of taking the GWE and that product is subtracted from the number of correct answers on the original score. Guessing also helps spare you the undue humiliation of turning in a totally blank answer sheet.

We are now ready to begin. Turn to page 3 and remove the answer sheet from your booklet.

Filling out the answer sheet correctly is of prime importance. Without careful completion of the sheet, your scores cannot be sent to their proper destinations. To the letter, follow the directions. If you survive this exercise you are halfway home.

Turn your answer sheet so that the picture of the Marquis de Sade is in the upper left-hand corner. In squares 1-5 print your last name. If your last name exceeds 5 letters, simply print the first 5. Most surnames are longer than 5 letters but they are funniest when taken on the "first-5" system. Below each box you will notice a list of letters. Darken the grid of the letter which corresponds to the letter you have written in the box. If you are unfamiliar with the Russian alphabet, find the shape that looks the most like its English counterpart and darken its grid.

In squares 6-20 print your first name. In squares 21-30 print your middle name; if you have no middle name, print the make of your car. In squares 31-36 print your birth date. In squares 37-40 print your birth weight. In squares 41-66 print the test center code which has been posted under each desk.

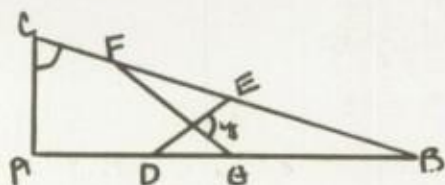

We are now ready to begin. Go on to Section I.

SECTION I — GENERAL INFORMATION

Directions:

For each of the following questions, select the response which best answers the question or which will make a pretty design on your answer sheet. You have 30 seconds to complete Section I.

1. The normal height of a mercury barometer at sea level is
 - (A) 30"
 - (B) 30'
 - (C) 300'
 - (D) dependent upon its placement on the wall in relation to the ground.
2. Roaches differ from other insects in that they
 - (A) are faster than a speeding bullet.
 - (B) are more powerful than a locomotive.
 - (C) are able to leap tall buildings at a single bound.
 - (D) make people nauseous.

3. In the figure, $C = 50$ degrees and $DE = AC$. How many degrees in angle y ?

SECTION II — READING COMPREHENSION

Directions: Read the following paragraph and answer the questions.

Perhaps it is mellifluous for the pastoral palanquin to limn the plenipotentiary mahout; it may, indeed, be virtually foliaceous, but one must never allow a modicum of penurious verity to supervene one's ultimate goal. One must always prevaricate a vestige of verisimilitude in order to subjoin a talus of ululation. To be rubicund, nay, to be more; to be quotidian must be the omnipresent escutcheon of each endogenous denizen. Obfuscate not the noctambulist but ameliorate the seraglio; it is in this quest that the quintessence of halcyon dudgeon lies.

- The best title for this paragraph is
(A) Denizens of the Deep.
(B) How to Win Friends and Bingo Games.
(C) Wayne Rickles' History Test.
(D) Bambi
- The point the author is trying to make is
(A) every silver lining has a cloud.
(B) palanquins must never be plenipotentiary.
(C) the fog of life burns forever on the hill.
(D) the examinees' vocabulary is painfully limited.

Mrs. Branch,

I can't believe this year
is over. your class has always been
so much fun and I have enjoyed
having you as a teacher so much.
I hope I can see you over the summer.
Good luck in the future.

Love ya
Angie Jones

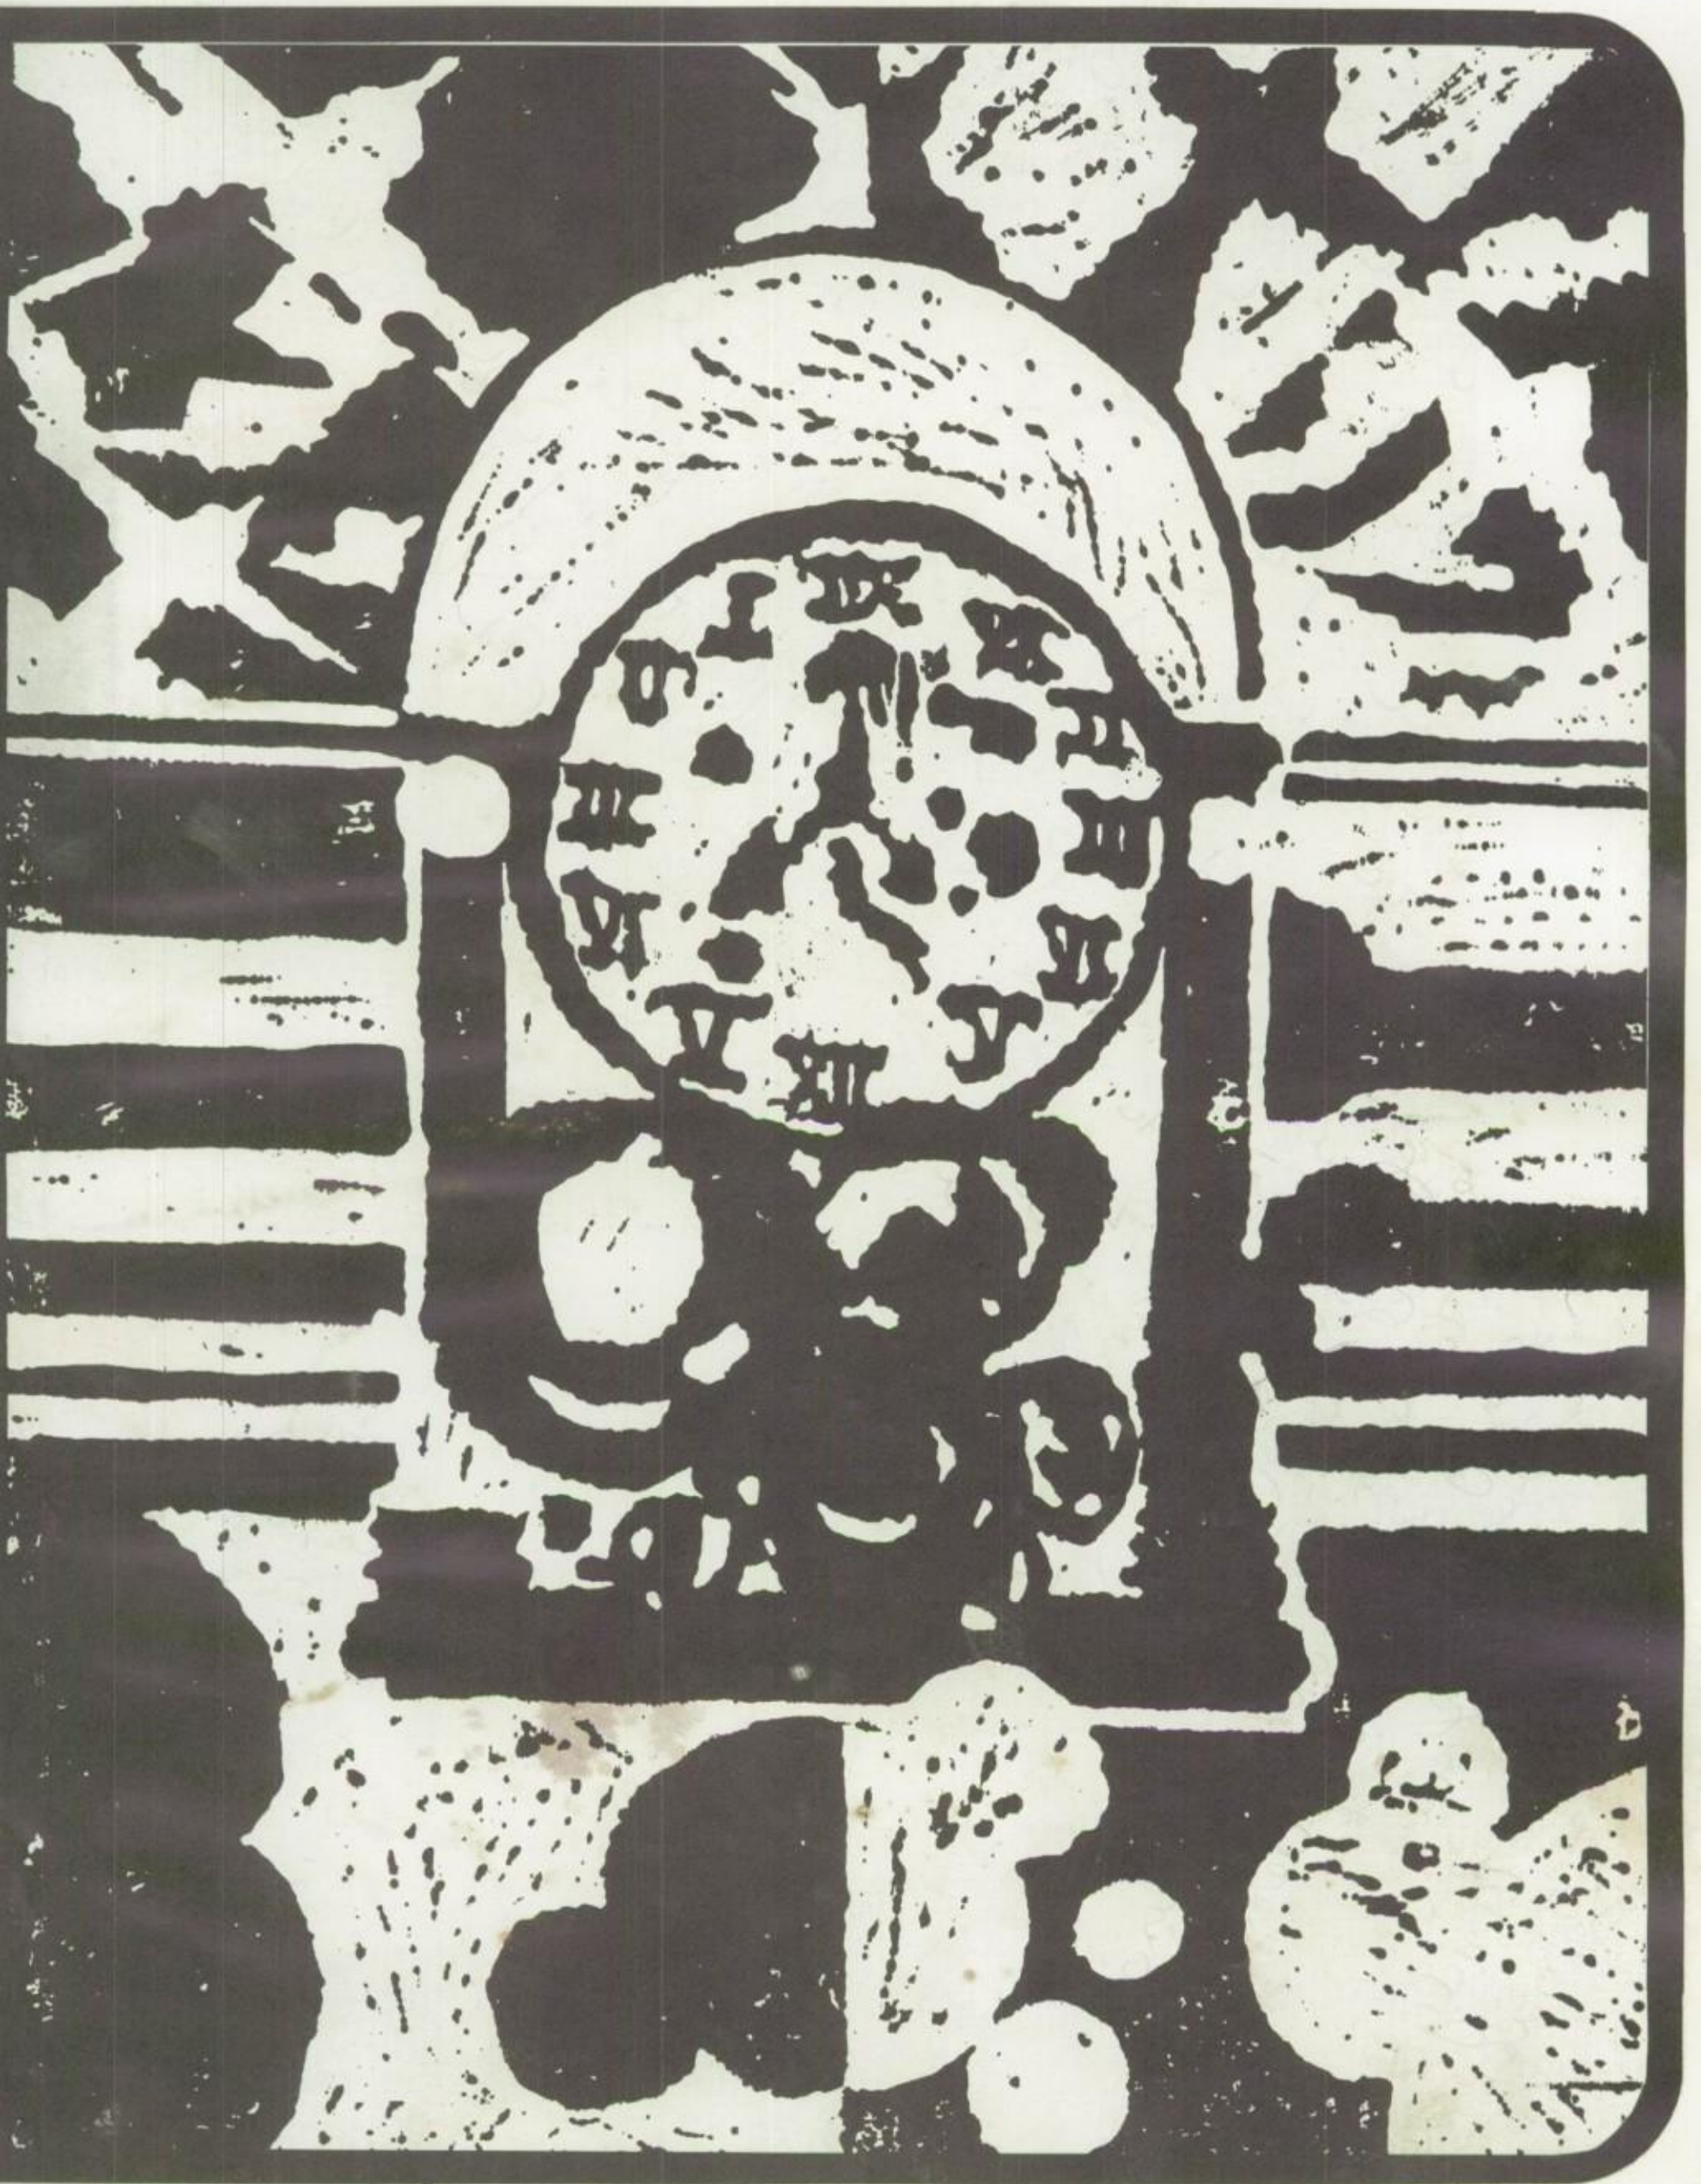

tell me brother if you see
the world that's flying by
the candle burns from tip to end
the flames, they slowly die

i remember what you said to me
the day before today
but what you said before that time
has left and flown away

it's not so much that your words have wings
but what you say is passing
i beg you brother, say something more
with traces to make it lasting

and can't you see
that since your words don't last
they have no future
only a past

so brother that i live for
and brother that i adore
disown your part of that melancholy game
you can really have so much more

and you'll feel this life my brother
in everything you see
because you'll feel it through yourself
you won't need them or me

and just wait till you speak my brother
your words will grow so high
that the wisdom and love they carry with them
will take wings and then they'll fly

Mrs. Bramm
It was so good
to see you in A.E. This
year. I hope to have
a much fun tomorrow
as a friend than
as a teacher.

and so then you'll finally have it
and with everyone you'll share
and then this sad and fading world
will actually begin to care

so brother light the candle
let the wax drip on the play
you know what your next move will be
i needn't even say

Mrs. Branch
 I just want

 you have meant to me.

This page and the two succeeding pages are filled with signatures and favorable wishes for your future, along
 with touching memoirs and pleadings that you "always remember the fun we had in class" etc. If you're
 short on friends, you can do your algebra homework herein.

Mrs. Branch,
 You were the
 most interesting teacher
 I had this year. You
 made me look forward to
 P.E. instead of dread it.
 I especially liked the health
 unit. You did a fantastic job.

Mrs. Branch

This school year has been a fantastic one, full of memories, and you are one of the main reasons that I enjoyed it as much as I did. I can honestly say that you are the best and most understanding teacher that I've ever had - my favorite! I've never felt "close" to a teacher until this year and I guess I just want to thank you for making me feel that way. You are so precious and have a personality to match. I also want to let you know that I have a lot of respect for you. (again, let me apologize for the corn in the lunchroom. You've made P.E. more than just a class - it's been a blast! - and I hope all see you sometime this summer and thank you again! Love, Cath & Cherry
